This is the fourth edition of Baylis and Smith's (which now includes Owens) The Globalization of World Politics. The book is of great use in introducing the novice to the field of international relations as well as being a reliable companion for the experienced scholar.

Globalization Of World Politics 4th Edition

The Globalization of World Politics is one of the most commercially successful textbooks published by Oxford University Press, and with even a quick flick through it is not difficult to see why. It aims to combine history, theory, structure and process with contemporary international issues, and it does so in a way that is clearly presented.

The Globalization of World Politics: An Introduction to ...

Abstract. The Globalization of World Politics is an introduction to international relations (IR) and offers comprehensive coverage of key theories and global issues. The seventh edition features several new chapters that reflect on the latest developments in the field, including those on gender and race. New pedagogical features — such as case studies and questions, a new debating feature, and end-of-chapter questions — help readers to evaluate key IR debates and apply theory and IR ...
