A *Delayed Life* is the breathtaking memoir that tells the story of Dita Kraus, the real-life Librarian of Auschwitz. Dita Kraus grew up in Prague in an intellectual, middle-class Jewish family. She went to school, played with her friends, and never thought of herself as being different—until the advent of the Holocaust. Torn from her home, Dita was sent to Auschwitz with her family. From her time in the children’s block of Auschwitz to her liberation from the camps and on into her adulthood, Dita’s powerful memoir sheds light on an incredible life—one that is delayed no longer.

Based on the true story of a brave German nurse tasked with caring for Auschwitz’s youngest prisoners, *Auschwitz Lullaby* brings to life the story of Helene Hannemann—a woman who sacrificed everything for family and fought furiously for the children she hoped to save. On an otherwise ordinary morning in 1943, Helene Hannemann is preparing her five children for the day when the German police arrive at her home.

Helene’s worst fears come true when the police, under strict orders from the SS, demand that her children and husband, all of Romani heritage, be taken into custody. Though Helene is German and safe from the forces invading her home, she refuses to leave her family—sealing her fate in a way she never could have imagined. After a terrifying trek across the continent, Helene and her family arrive at Auschwitz and are thrown into the chaos of the camp. Her husband, Johann, is separated from them, but Helene remains fiercely protective of her children and those around her. When the powers-that-be discover that Helene is not only a German but also a trained nurse, she is forced into service at the camp hospital, which is overseen by the notorious Dr. Mengele himself. Helene is under no illusions in terms of Dr. Mengele’s intentions, but she agrees to cooperate when he asks her to organize a day care and school for the Romani children in the camp. Though physically and emotionally brutalized by the conditions at Auschwitz, Helene musters the strength to protect the children in her care at any cost. Through sheer force of will, Helene provides a haven for the children of Auschwitz—an act of kindness and selflessness so great that it illuminates the darkest night of human history. Based on a true story, Mario Escobar’s *Auschwitz Lullaby* demonstrates the power of sacrifice and the strength of human dignity—even when all hope seems lost. “*Auschwitz Lullaby* grabbed my heart and drew me in. A great choice for readers of historical fiction.” —Irma Joubert, author of *The Girl from the Train* An international bestseller Full-length World War II historical novel A finalist for 2019’s Empik Award for Literature Includes discussion questions for book clubs, research notes from the author, and a historical timeline

The Boy Who Followed His Father into Auschwitz Roca Editorial

Iturbe es un físico especialista en neutrinos que, tras más de dos décadas en el extranjero, vuelve para saldar sus deudas sentimentales a La Barceloneta, el barrio en el que se crio. Paseando de nuevo entre sus calles, descubrirá que, entre pisos turísticos, franquicias de multinacionales y la progresiva desaparición de los vecinos, ya sólo quedan vestigios de su memoria y deberá, con la ayuda de un amigo de la infancia llamado González, rescatar su propio pasado, a la vez que va descubriendo el destino de algunos de sus compañeros de generación. La playa infinita es una novela que funciona como guía sentimental del estilo de vida y las callejuelas de la Barcelona de última mitad del siglo XX; una melancólica carta de amor a un barrio y, por extensión, a una ciudad que nunca volverán. Y una reivindicación del poder de la imaginación, de la literatura y de la ficción para completar un retrato del último medio siglo de historia española.

This is a dramatic retelling of true events in the life of Francisco Boix, a Spanish press photographer and communist who fled to France at the beginning of World War II. But there, he found himself handed over by the French to the Nazis, who sent him to the notorious Mauthausen concentration camp, where he spent the war among thousands of other Spaniards and other prisoners. More than half of them would lose their lives there. Through an odd turn of events, Boix finds himself the confidant of an SS officer who is documenting prisoner deaths at the camp. Boix realizes that he has a chance to prove Nazi war crimes by stealing the negatives of these perverse photos—but only at the risk of his own life, that of a young Spanish boy he has sworn to protect, and, indeed, that of every prisoner in the camp.

Prólogo de Elvira Lindo « Si hace cinco años me hubieran dicho que escribiría un libro, habría pensado que me estaban gastando una broma. En aquella época me encontraba sumida en el proceso de pérdida total de la visión y lo último que podía pensar en esos difíciles momentos era que encauzar a mi vida hacia un destino que me colmaría de satisfacciones: el voluntariado lector. Llevar la lectura a personas y colectivos que, por sus especiales circunstancias, tienen un menor acceso a ello es una actividad muy gratificante ». La lectora ciega es un emocionante testimonio de superación a través del amor a los libros. Cuando te diagnostican una « retinosis pigmentaria », hay que aprender a vivir sin imágenes, ni colores ni rostros queridos. Las personas que padecen esta rara enfermedad no se quedan ciegas de la noche a la mañana; incluso, sigue existiendo percepción de luz - « una vaga sensación de niebla blanca » - y oscuridad. En este relato estremecedor la autora cuenta la historia de su pérdida de visión y « la salida del pozo » a través de la literatura y la entrega a los demás. Con la ayuda de Meadow, su perro guía, Paqui Ayllón vive su discapacidad con normalidad y camina siempre hacia adelante, en un claro ejemplo de superación que es preciso leer para creer.

A New York Times Bestseller “ I’ll be forever changed by Dr. Eger’s story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we’ve lost, or to pay attention to what we still have.” —Oprah “ Dr. Eger’s life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well.” —Desmond Tutu, Nobel Peace Prize Laureate “ Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal.” —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor’s guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she’d been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own

minds and shows us how to find the key to freedom. The Choice is a life-changing book that will provide hope and comfort to generations of readers. We lived on a bunk built for four but in times of overcrowding, it slept seven and at times even eight. There was so little space on the berth that when one of us wanted to ease his hip, we all had to turn in a tangle of legs and chests and hollow bellies as if we were one many-limbed creature, a Hindu god or a centipede. We grew intimate not only in body but also in mind because we knew that though we were not born of one womb, we would certainly die together. Alex Ehren is poet, a prisoner, and a teacher in block 31 in Auschwitz- Birkenau, also known as the Children’s Block. He spends his days trying to survive and illegally giving lessons to his young charges, all while shielding them as best he can from the impossible horrors of the camp. But trying to teach the children is not the only illicit activity that Alex is involved in. Alex is keeping a diary...
