Dyno Tuning, Service & Mechanical | Power Curve Performance

The ZD30 will probably not be remembered as one of Nissan's greatest engines. In good condition and running properly, they're not a bad unit, but they have managed to develop a reputation for - as you've identified - giving problems long before they should.

Questions? Contact our experts: - [anj.pizzampa.it](#)

The ZD30 engine has suffered a poor reputation for premature failures including melting/cracking pistons and overboosting, largely due to some common issues. These If you own a Y61/GU NISSAN PATROL with a ZD30 3.0ltr turbo diesel engine, these are invaluable tips to help you increase the life expectancy of your engine.

Patrol 4x4 - Nissan Patrol Forum

Nissan finally released the common-rail turbo-diesel ZD30 engines from the Series 5 GU Patrol models onwards. They are a 3-litre 4-cylinder engine & respond very well to modifications & custom dyno tuning.

But it seems the ZD30's problems were even a bit more fundamental than that. Somehow, Nissan managed to specify an incorrect oil volume in the engine's specifications, listing six litres as the oil capacity of the engine. But questions began to be asked when owners started experiencing oil starvation even though the oil level was not ...
