Passat Haynes Manual

The first part of the Volkswagen Passat repair manual contains safety rules for various operations with the car, gives the best ways out of emergency situations on the road, and also gives an overview of the design of Volkswagen with the characteristics of all its constituent elements.

VW Passat Haynes Repair Manual - YouTube

Unlike other DIY manuals, Haynes does not try to cover too many different models - thus their information is much less confusing and specific to the model you are working on. I have done

things like changing timing belts, replacing cams hafts, etc.
