Unconventional Warfare (Special Forces, Book 1) Simon and Schuster
From the bestselling author of the "dazzling historical saga" (The Washington Post), Moloka'i, comes the irresistible story of a young immigrant bride in a ramshackle town that becomes a great modern city "In Korea in those days, newborn girls were not deemed important enough to be graced with formal names, but were instead given nicknames, which often reflected the parents' feelings on the birth of a daughter: I knew a girl named Anger, and another called Pity. As for me, my parents named me Regret." Honolulu is the rich, unforgettable story of a young "picture bride" who journeys to Hawai'i in 1914 in search of a better life. Instead of the affluent young husband and chance at an education that she has been promised, she is quickly married off to a poor, embittered laborer who takes his frustrations out on his new wife. Renaming herself Jin, she makes her own way in this strange land, finding both opportunity and prejudice. With the help of three of her fellow picture brides, Jin prospers along with her adopted city, now growing from a small territorial capital into the great multicultural city it is today. But paradise has its dark side, whether it's the daily struggle for survival in Honolulu's tenements, or a crime that will become the most infamous in the islands' history... With its passionate knowledge of people and places in Hawai'i far off the tourist track, Honolulu is most of all the spellbinding tale of four women in a new world, united by dreams, disappointment, sacrifices, and friendship.

The first in a "sharp, weird, and wildly innovative" urban fantasy series about a desperate father who embraces a forbidden magic in order to save his daughter (Cherie Priest, Locus Award winner and Hugo Award nominee) Flex: Distilled magic in crystal form. The most dangerous drug in the world. Snort it, and you can create incredible coincidences to live the life of your dreams. Flux: The backlash from snorting Flex. The universe hates magic and tries to rebalance the odds; maybe you survive the horrendous accidents the Flex inflicts, maybe you don't. Paul Tsabo: The obsessed bureaucromancer who's turned paperwork into a magical Beast that can rewrite rental agreements, conjure rented cars from nowhere, track down anyone who's ever filled out a form. But when all of his formulaic magic can't save his burned daughter, Paul must enter the dangerous world of Flex dealers to heal her. Except he's never done this before—and the punishment for brewing Flex is army conscription and a total brain-wipe.

On Blood Road (a Vietnam War Novel) Chelsea Green Publishing
Now a New York Times bestseller! From the author of Truths I Never Told You, Before I Let You Go, and the The Warsaw Orphan, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that

Before I Let You Go was one of the best novels I had ever read...If you only have time to read one book this year The Things We Cannot Say should be that book. Keep tissues handy."—Fresh Fiction "Fans of The Nightingale and Lilac Girls will adore The Things We Cannot Say." —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, The German Wife. For more by Kelly Rimmer, look for Before I Let You Go Truths I Never Told You The Warsaw Orphan

Tales of the Jersey Devil Simon and Schuster

"Lash is capable of explaining the mind-bending concepts of Gnosticism and pagan mystery cults with bracing clarity and startling insight. . . . [His] arguments are often lively and entertaining."—Los Angeles Times Fully revised and with a new preface by the author, this timely update is perfect for readers of *The Immortality Key*. Since its initial release to wide acclaim in 2006, *Not in His Image* has transformed the lives of readers around the world by presenting the living presence of the Wisdom Goddess as never before revealed, illustrating that the truth of an impactful Gnostic message cannot be hidden or destroyed. With clarity, author John Lamb Lash explains how a little-known messianic sect propelled itself into a dominant world power, systematically wiping out the great Gnostic spiritual teachers, the Druid priests, and the shamanistic healers of Europe and North Africa. Early Christians burned libraries and destroyed temples in an attempt to silence the ancient truth-tellers and keep their own secrets. *Not in His Image* delves deeply into ancient Gnostic writings to reconstruct the story early Christians tried to scrub from the pages of history, exploring the richness of the ancient European Pagan spirituality—the Pagan Mysteries, the Great Goddess, Gnosis, the myths of Sophia and Gaia. In the 15th Anniversary Edition, Lash doubles down on his original argument against redemptive ideology and authoritarian deceit. He shows how the Gnostics clearly foresaw the current program of salvation by syringe, and places the Sophianic vision of life centrally in the battle to expose and oppose the evil agenda of transhumanism, making this well-timed update more relevant than ever. "Sometimes a book changes the world. *Not in His Image* is such a book. It is clear, stimulating, well-researched, and sure to outrage the experts. . . . Get it. Improve not just your own life, but civilization's chances for survival."—Roger Payne, author of *Among Whales*

In 1918, the world seems on the verge of apocalypse. Americans roam the streets in gauze masks to ward off the deadly Spanish influenza, and the government ships young men to the front lines of a brutal war, creating an atmosphere of fear and confusion. Sixteen-year-old Mary Shelley Black watches as desperate mourners flock to séances and spirit photographers for comfort, but she herself has never believed in ghosts. At her bleakest moment, however, she's forced to rethink her entire way of looking at life and death, for her first love—a boy who died in battle—returns in spirit form. But what does he want from her? Featuring haunting archival early-20th-century photographs, this is a tense, romantic story set in a past that is eerily like our own time.

"Capturing one librarian's breathtaking fictional journey is a riveting way to showcase and honor the risky work of these real librarians, and the text communicates a deep reverence for their

mission—and their tremendous fortitude. Illustrations depict a pale, red-haired librarian, nearly always smiling despite the obstacles that nature puts in her path. Light and shadow are used effectively to convey Mother Earth's shifting moods... Educational and inspiring." -Kirkus Reviews Books By Horseback is a breathtaking adventure of a heroic Pack Horse Librarian who braves the harsh terrain of rural Kentucky to bring books to children who need them. Deep into Appalachia, during the Great Depression food, education, and opportunities were scarce. Kentucky had fallen behind its neighboring states in electricity and highways, and the folks who lived in the craggy, mountainous region were struggling to survive. But courageous librarians were up to the challenge! Edith, a young Pack Horse Librarian, and her faithful horse Dan, adventure through rough terrain and a pending storm in order to deliver books to kids who desperately need them in this richly illustrated tale. Edith, like all Pack Horse Librarians, heroically risked their own safety to serve the most vulnerable members of their community. Librarians like Edith helped an entire generation learn to read and gain lifesaving knowledge in a critical time in history.

Chivalry Addison-Wesley Professional

Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

From the acclaimed author of *The Night Portrait* comes a stunning historical novel about two women, separated by five hundred years, who each hide Leonardo da Vinci's Mona Lisa—with unintended consequences. France, 1939 At the dawn of World War II, Anne Guichard, a young archivist employed at the Louvre, arrives home to find her brother missing. While she works to discover his whereabouts, refugees begin flooding into Paris and German artillery fire rattles the city. Once they reach the city, the Nazis will stop at nothing to get their hands on the Louvre's art collection. Anne is quickly sent to the Castle of Chambord, where the Louvre's most precious artworks—including the Mona Lisa—are being transferred to ensure their safety. With the Germans hard on their heels, Anne frantically moves the Mona Lisa and other treasures again and again in an elaborate game of hide and seek. As the threat to the masterpieces and her life grows closer, Anne also begins to learn the truth about her brother and the role he plays in this dangerous game. Florence, 1479 House servant Bellina Sardi's future seems fixed when she accompanies her newly married mistress, Lisa Gherardini, to her home across the Arno. Lisa's husband, a prosperous silk merchant, is aligned with the powerful Medici, his home filled with luxuries and treasures. But soon, Bellina finds herself bewitched by a charismatic monk who has urged Florentines to rise up against the Medici and to empty their homes of the riches and jewels her new employer prizes. When Master Leonardo da Vinci is commissioned to paint a portrait of Lisa, Bellina finds herself tasked with hiding an impossible secret. When art and war collide, Leonardo da Vinci, his beautiful subject Lisa, and the portrait find themselves in the crosshairs of history.
