Our nation is in turmoil over many issues these days--political, social and health related. But systemic racism and how it touches so much of society is one of the most painful. Make Us One is a 31-day devotional prayer guide that speaks into this issue. It is designed to open the heart of the reader so he or she can experience

inner healing, repent where needed, and move him or her toward heart-transformation. Ultimately it is a cry for God to bring healing over this evil in our nation. Each of the powerful, insightful, scripture-based prayers is written by a national prayer leader or pastor of multiple ethnicities. It has a hard-hitting, clear, prophetic voice for our times, and a message to the Church that it cannot turn a blind eye to this issue any longer, but needs to live out Jesus' prayer in John 17, that we would be one. The book also includes short stories by people of color showing how they experienced an act of either subtle or overt racism or discrimination.

Making Disciples is a 13-session mentor-based confirmation program that pairs confirmands with adult mentors and guides them through a variety of learning experiences that will strengthen the student's understanding of the faith while connecting him or her with the community of believers in a personal way. It can be used as a stand-alone program, or in conjunction with your current curriculum as a special experiential unit. This is a confirmation program that is more like a process and less like a reading assignment, more engaging and congruent with the nature of the Christian faith than existing programs. Using an "apprenticeship" approach to confirmation Will Willimon produced a series of learning experiences where adult mentors and confirmands are both teachers and learners at the same time. This time-tested approach has been extensively revised and updated for usage in today's churches that take seriously Christ's command to be engaged in disciple making. The Coordinator's Guide can be used by the pastor, if that is how your congregation chooses to oversee and support the process of confirmation. However, it's good to involve as many laypersons as possible in mentoring and guiding. This Coordinator's Guide is designed to be easily used by a lay coordinator to support the mentors as they guide their confirmands through the journey toward confirmation. Topics explore the basics of Christian faith: • God • Jesus • the Holy Spirit • worship • the Bible • gifts • ministry • baptism • spiritual life • death and resurrection • the church
