DISCUSSION QUESTIONS INCLUDED Story Behind the Book “When my six kids’ eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind.” —Chuck Black

And God Created Laughter Tor Books

Recognizing "a playful spirit" as part of our human makeup, Conrad Hyers shows how laughter and humor are integral to our serious study of the Bible. He opens the joy of understanding the Bible in its fullness. With the darker realities of the Bible -- sin, suffering, and death -- there coexists a lighter side -- laughter, humor, and playfulness. Competent biblical study requires both perspectives. This highly readable, preachable, and teachable work gives ministers, students, lay readers a valuable tool for recovering the spirit and offers a chance to share in the celebration of life and the divine comedy of faith, hope, and love.
