It is a crucial time in the war-torn kingdoms of Wendar and Varre, a moment when even one wrong decision can tilt the balance of events into total disaster. will be at risk when they are forced to choose which pathway each will follow—lured by the equally strong demands of politics, forbidden knowledge, and family. And even as Liath struggles with magic's seductive spell, Sanglant's Aoi mother returns to the mortal world, seeking the son she abandoned as a babe. As the fates of kingdoms shift with the changing fortunes of those caught up in the dangers of both civil war and continuing attacks by the nonhuman Eika and the Quman invaders, time is running out for Liath, Sanglant, King Henry, and the people of Wendar and Varre.
