regress of God's people, sinful?ness, judgment, and so on. But Jesus, along with the apostles and the other authors of the New Testament, emphasized that the Old Testament, above all, is about Him. Why then is the first question we often ask about a passage in the Old Testament, "What does this tell us about ourselves?" Surely, the first and main question we should ask is, "How does this passage testify to Christ?" In this book, Mark Dever has undertaken a

difficult and important task. He has set out to crystallize the message of each Old Testament book, and he has endeavored to show something of the Christian value of each book. These sermons should not be regarded as models for routine preaching from the Old Testament, for rarely would the preacher try to cover a whole book in one sermon. But they do provide broad perspectives on the way the books point to Christ and are fulfilled by him. The preacher

will need to extrapolate the principles of preaching Christ from the Old Testament and apply them to the textual units that are more appropriate for expository sermons. - Introduction. The Acts of the Apostles Navpress Publishing Group Focusing on the Message provides a comprehensive introduction to current theoretical approaches to New Testament studies. The Gospel According to Mark B&H Publishing Group

---

This book introduces the New Testament in two senses: it not only provides basic literary and historical information on each of the twenty-seven writings but also orients readers to the religious, theological, and ethical issues related to the message and meaning of Jesus Christ. The overall goal is to help interested readers of the New Testament become informed, responsible interpreters of these writings and thereby enrich their personal faith and

understanding. By giving special emphasis to how the New Testament has helped shape the church's identity and theological outlook throughout the centuries, as well as the role it has played within the broader cultures of both East and West, this introduction also seeks to assist readers in exercising creative, informed leadership within their own communities of faith and in bringing a deeper understanding of early Christianity to their conversations with the wider public.

Along with separate chapters devoted to each New Testament writing, there are chapters explaining how this collection of texts emerged as uniquely authoritative witnesses to the church's faith; why they were recognized as canonical whereas other early Christian writings were not; how the four canonical Gospels are related to one another, including a discussion of the Synoptic Problem; how the Jesus tradition—his teachings, stories from his ministry, and the accounts

---

of his suffering, death and resurrection—originated and developed into Gospels written in narrative form; and how the Gospels relate to Jesus Christ as he was and is. Also included is a chapter on the writings of Paul and how they emerged as a collection of authoritative texts for the church. This chapter includes a discussion of ancient letter-writing, special considerations for interpreting the Pauline writings, and Paul's decisive influence within the history of the church and

western culture. Sheltering Mercy  
Canongate Books  
A solid, well-done introduction to the New Testament for undergraduates that explores teaching on faith issues, as well as the theology and spirituality of the New Testament. Reflections, study questions, charts, and indexes are included.

**The Message of the New Testament and the Aramaic Bible** St.

Martin's Press  
The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the

book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Emerging with Wings** Brazos Press

She wants faith, hope,

and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt.
