The Snow Leopard In 1973, Peter Matthiessen and field biologist George Schaller

traveled high into the remote mountains of Nepal to study the Himalayan blue sheep and possibly glimpse the rare and beautiful snow leopard. Matthiessen, a student of Zen Buddhism, was also on a spiritual quest to find the Lama of Shey at the ancient shrine on Crystal Mountain. The result is a remarkable account of a journey both physical and spiritual, as the arduous climb yields to Matthiessen a deepening Buddhist understanding of reality, suffering, impermanence,

and beauty. *Wild Fire* Penguin In the world of #1 New York Times bestselling author Christine Feehan's *GhostWalker* series, there are men and women who are invisible to their enemies, yet unprotected from the passions that could be their downfall.... *Saber Winter* is running from her past when she meets Jess Calhoun, an ex-Navy SEAL,

“ This is a gorgeous, lyrical, hilarious, important book. . . . Read this and you may find yourself instinctively beginning to heal old wounds: in yourself, in others, and just maybe in the cathedral of the wild that is our true

home. ” —Martha Beck, author of *Finding Your Own North Star* Boyd Varty had an unconventional upbringing. He grew up on Londolozi Game Reserve in South Africa, a place where man and nature strive for balance, where perils exist alongside wonders. Founded more than eighty years ago as a hunting ground, Londolozi was transformed into a nature reserve beginning in 1973 by Varty ’ s father and uncle, visionaries of the restoration movement. But it

wasn ’ t just a sanctuary for the animals; it was also a place for ravaged land to flourish again and for the human spirit to be restored. When Nelson Mandela was released after twenty-seven years of imprisonment, he came to the reserve to recover. Cathedral of the Wild is Varty ’ s memoir of his life in this exquisite and vast refuge. At Londolozi, Varty gained the confidence that emerges from living in Africa. “ We came out strong and largely unafraid of life, ” he writes, “ with the full

knowledge of its dangers. ” It was there that young Boyd and his equally adventurous sister learned to track animals, raised leopard and lion cubs, followed their larger-than-life uncle on his many adventures filming wildlife, and became one with the land. Varty survived a harrowing black mamba encounter, a debilitating bout with malaria, even a vicious crocodile attack, but his biggest challenge was a personal crisis of purpose. An intense spiritual quest takes him

across the globe and back again—to reconnect with nature and “rediscover the track.” Cathedral of the Wild is a story of transformation that inspires a great appreciation for the beauty and order of the natural world. With conviction, hope, and humor, Varty makes a passionate claim for the power of the wild to restore the human spirit. Praise for Cathedral of the Wild “Extremely touching . . . a book about growth and hope.” —The New York Times “It made me cry with its hard-won

truths about human and animal nature. . . Both funny and deeply moving, this book belongs on the shelf of everyone who seeks healing in wilderness.” —BookPage Wild Fire African Minds It will take more than desire to tame the animal within in this Leopard novel from #1 New York Times bestselling author Christine Feehan. Leopard shifter Sevastyan Amurov has an anger inside of him that burns so hot it’s almost impossible to control. His barely leashed rage threatens to break free, until he meets a woman who soothes his restless soul. Sevastyan wants Flambe Carver with every breath. He’s

determined that the fiery-haired woman will want to be his completely. But his would-be mate comes with strings attached—a relentless stalker who intends to claim her for his own. They barely know each other, but with a very real threat looming just out of reach, Sevastyan takes Flambe under his protection. And as their connection grows, the embers of desire sparking between them soon burst into an inferno that will consume them both. And right now, New Orleans could use a homicide detective like Remy. A serial killer is loose, snatching victims from the French Quarter with pitiless rage and unnatural efficiency. But something else is drawing Remy into the twilight—a beautiful jazz singer bathed night after night in a flood of bloodred neon. Sultry, mysterious and as seductive as

her songs, she's luring Remy deeper into the shadows than he ever imagined. And as their passions swell, his keen instinct for survival will be challenged like never before. By a killer—and by a woman.
